**Legend:** Average of 10 pages per hour

†Continuing Education Units (CEU): one (1) CEU corresponds to 10 hours of study and is used to quantify the estimated number of study hours a student does either in a classroom, a laboratory, a seminar or a workshop.

†MC: multiple choices (the question is followed by a list of possible answers. The student must select the correct answer)

†OE: open ended (the question is followed by an entry text box in which the user types the answer)
